Web apps enabled

Choose from hundreds of popular TV Apps to stream video, view pictures, play music and games, and much more. Get up-to-the-minute access to the hottest digital content, which keeps growing, from AccuWeather, Blockbuster and eBay... to Flickr, Pandora, Twitter and YouTube.

Sync media from multiple devices with AllShare

AllShare™ syncs your digital devices so you can enjoy music, movies and photos from your PC, camera and mobile devices, on your larger TV screen. Connects you to multiple PCs, as well.

ENERGY STAR® Compliant

The current LCD and LED TVs exceed ENERGY STAR® 4.1 standards by being up to 43% more

efficient than the minimum requirements, making it easier to conserve energy and leave a smaller carbon footprint.
