Jeffrey,  
Rod is un-aware that Stone is selling the office to us,.Rod thinks Stone is still removing it and giving it to a friend,.just FYI  
would you want to pay Rod for August rent, to start renovations or wait till Sept 1st?

From Rod,.

*Hi Larry,*

*I just got home and am trying to get a game plan together on finishing up the VI. August 1 works for me if you pay August as we discussed and can allow Stone the time to get the offices out. Your guys clean the hanger and throw out anything left you don't want. I am going down there next week to clean out the office, pack up the office equipment, aircraft records, etc.. The generator should be removed and all of our parts and tooling should be packed and shipped by the 1<sup>st</sup>.*

*Let me know if that works for you? By the way, I have an extra RV spot at the Buffalo Chip in Sturgis if you want it? One of our group can't make it and I'd love for you to join us.*

*Rod*
