

This is the manufactures recommended procedure for resurfacing of a diamond brite pool
Tom recommends that we follow this procedure
We have have recourse of they screw it up again

please note attached, paragraphs 2a and 2b from install info for diamond brite
pools resurfacing projects, also spec sheets from Southern Grouts and motars, inc
http://sgm.cc/pdf/InfoSheets/Diamond_Brite_web.pdf

the preparation of the main house pool will require that the diamond brite be totally
removed so the 1 x 1 tile can be adhered properly
Flag pool, heater relocation this week, Material is due to arrive STT, tomorrow, Saturday
for resurfacing. refill saturday and sunday
Main pool, heater done and running, materials ordered, expect everything to be on sight
by the 20th Feb, empty the night of the 12th FEB to commence roughing out, 3
to 4 weeks for completion.
