████████ suggested that we should maybe use IFL for this move on the 15th and I asked her on the same day to check with you because I know they are usually a bit pricey and I got her reply yesterday.

Thank you

Jeffrey,  
this was from yesterday

IFL is going to the house today at 4pm to look at the job and give me an estimate. However they already told me they are booked solid and do not anticipate they can do this before July 1st but I will pressure them to see if they can do it before than.

Thank you

Hi [REDACTED]

I just left you a voice mail about this.

Tropical in Kearny NJ will accept this cargo as long as its properly packed so did you want to talk to JE about getting IFL to do this because I know you said this was some expensive stuff.

Please let me know so I can get this started.

Hi Emad.. Here is the list for now for things going to LSJ. I almost think it might be better for IFL to be the ones to box everything and take to Jersey. The furniture is expensive Pinto items and I would hate for something to get ruined cause we used Ben Hur. What do you think?
