Problem is he has been giving them money since 2006, and lost every penny! He is a nice architect, brother of my first wife, does not know anything about finance. They managed to fool him into handling whatever money he had over the years - to the tune of. 8 mill NOKs. Question is: can it be retrieved? FBI. Norwegian police etc are looking into it. But probably that will not lead anywhere. Are there other ways?

Nikolai please keep it a secret from the criminals as to the fact you are working with me
and sending info to the authorities here.

Emily
