That is what I was told because there was a computer issue that kept giving false alarms.
And they have replaced the frequency drive twice so far and the problem has not been resolved.

Jeffrey,
Just wanted to let you know that were purchasing \$3,773.90 of lumber for the Dock House project which we have no budget for yet.

Also a lower unit for PRD in the amount of \$3,449.95 which Brice said you approved.
