Thanks. Good point on percentages but I am assuming you are looking simply for more descriptive examples as we have no way of knowing the value of Leon's estate (and not all \$4bil is subject to commissions) or what will be in the trusts.

Is it helpful for me to add to the footnote something like "this would be roughly \$80 million on a \$4 billion estate"?

Once I add that--shall I send to Melanie?

Thanks!

Hi Jeffrey,

I prepared and attach a memorandum outlining some decisions Leon may need to make in connection with his new estate plan. You likely already covered this ground with Leon but I thought it might be helpful to him to review the memorandum in advance of tomorrow's meeting. If you agree, I will forward it to Melanie.

Best regards,
