Subject: Fwd: List of things for Tropical Shipping from 71st

Jeffrey,
this was from yesterday

IFL is going to the house today at 4pm to look at the job and give me an estimate. However they already told me they are booked solid and do not anticipate they can do this before July 1st but I will pressure them to see if they can do it before than.

Thank you

I did mention we wanted to use IFL for this and he was fine with it..
I just don't trust Ben Hur for JE furniture.. for 301 it's fine..

Hi Sarah,
I just left you a voice mail about this.

Tropical in Kearny NJ will accept this cargo as long as its properly packed so
did you want to talk to JE about getting IFL to do this
because I know you said this was some expensive stuff.

Please let me know so I can get this started.

Thank you

Hi Emad.. Here is the list for now for things
going to LSJ. I almost think it might be
better for IFL to be the ones to box

everything and take to Jersey. The furniture is expensive Pinto items and I would hate for something to get ruined cause we used Ben Hur. What do you think?
