

LSJ PPB to STT 9-20.pdf

Attached is Tropical's quote which is yet to be approved by Operation Department
As I mentioned in earlier e mails in the past when we shipped boats before Tropical was usually
twice the cost of Sea Star.

And I hoping to get Crowley's quote today.

As for the time line Crowley and Tropical is unknown its based on available space with boats and
vehicles getting the least priority so it could sail right away or it could take a while.

I have contacted Sea Star about their timeline and will continue to do so until I get that
information

Thank you
