I think because you gave your dates and they always tried to accommodate and you cancelled 3 times they aren't happy about that.
He didn't write anything nor did I talk to him he just forwarded the email to me as I did to you. Also he usually forwards everything to my uncle so I wanted to ask you if you could please be a little more formal if you're planning to email him again.
They are really really formal especially when they haven't met the person yet.
I'll see what they are going to say but what I wrote in the email is what I was planning to tell my uncle when I see him.
