Hey [REDACTED]

How are you doing??

So Jeffrey is paying for Peggy's charter flight from Pittsfield to East Hampton on Friday, June 29th.

I just spoke to Eric from the East Hampton Airport and he said that they need a credit card number in order to book the flight.

Is there any way we could make the payment today? I know that it is kind of fast but Peggy just told me about it. The phone number is [REDACTED]

Thanks again for your help!

Best,
Allison
