recommend that we search for a JD 5101E tractor AWD, loader, scraper and digger 100hp,
enclosed cab
i really think we need the extra digger the mini excavator will to light to move rocks etc
this will be in place of 210LE and Back Hoe

thoughts please, Danny talk to peter, this model is 20hp bigger than 210 LE

what are we going to use for jets ski, seadoo haul out, Carlos please advise

need replies by monday pm
