Good Afternoon,

In response to your request,
The full explanation is this:

- The last week of October,(Gary Kerny's final week) the instruction to order the plants was given, by Mr.Epstein and Gary Kerny.
- By the Second week of November(11/7-11/11) All the material was sourced and centralized for shipping, and the Invoice sent for payment.

***Eventhough payment had not been Made, as a personal favor to me the shipment was put in motion, since I had relayed my orders to have the material on LSJ, ASAP.
The Goal was to have the sod And the other plant material arrive at the same
Time: Saturday 11/19

-Tuesday 11/15

Mr.Epstein, cancelled the order, which was already in transit.
So The material was Returned to the farms that it came from, and the Vendor was upset, due to the waste of time and energy to load, and now Unload the material.

-Later Mr. Epstein told me to still get everything except the ixora.

-When I requested that, I was told, it may be possible to get it sent on the following shipment the following week, however the material was already returned, and a new order needed to be generated

- I was told due to the Holidays, I would have to wait until After the Thanksgiving Holiday/Vacation to process that "new" order

-When I began to explain all of this,
During the Wednesday 11/23 Morning Meeting with Tom Melnik, Brice Gordon, [REDACTED],
Mr.Epstein told me not to ever mention the order again, because Ixora's are a
Plant that he despises.

-Today I recieved the new invoice which had a few mistakes on it, and I returned it to be corrected.

I expect that to come back Tomorrow.

At that point 50% of the total invoice must be paid, before the shipment moves.

Thank You,
Igala
