Please try to get Tom feedback ASAP

I spoke with Heidi earlier today and she told me that once i send her approval to move into production they will require the balance due of 30,410
Timing is then 4-5 weeks and they are targeting week of Nov 27th or Dec 3rd to have building at Tropical in FL assuming we give them feedback early this week

Why did we wait 1 week to give Tom plans??
Please put pressure on Tom to get feedback tomorrow
Thank you
