Jeffrey,

Do to my injuries I'm unable to do my normal commute to work and I don't have a printer/scanner at home which will allow me to work from home. I am able to drive so I can get to the office however I can not afford the extra cost of parking and tolls for however long it takes me to heal up enough to be able to do my normal bus and train commute. If I can be reimbursed for these expenses so that I can come to work I would appreciate it. I really need to get to the office tomorrow so I can catch up for the days missed last week.

Thank you

Emad Hanna
