I have booked [REDACTED] a ticket on the same flight as myself.

When I booked my ticket they had a special on and the lowest fare ended up being a business class ticket for \$ 308

The special is no longer available so the lowest fare is now the coach fare for \$ 435. So i have booked her this ticket.

I dont know if it is not nice to travel in business when she is in coach. But if I change my ticket to coach we will end up paying more.

What would you prefer me to do?
