Subject: THANK YOU !!!!.

Jeffrey,

Thank You for setting up my meeting with Desmond.

It was great meeting him.

I like him immediately! and the project (and how he's going about it!) he putting together!!!!, investing in high end European brands, and developing there potential, to be valid in the global market place, and bringing them to China, but in a New & Very Modern Way !!!!.

His concept is Very Strong !! and Right on the Dot.

He has - The Next (New) Dimension in approaching the Chinese Market !!!!.

I'd jump at a chance to work on his project.

I wanted to email you before emailing Desmond, he'll still be on his flight to Beijing.

All The Best !!.

Thank You Again !!!!.

Eric.
