**Subject:** dump truck update

Jeffrey,  
price for new F450 dump truck with landscape bed, Non-crew cab,.4x4, automatic transmission, air conditioning,.  
sticker \$57,900.00  
rebates \$54,150.00 before negotiations,. I would only guess, we could get this truck for \$50,000 +  
The dealer is willing to swap the beds from his current stock crew cab truck onto the 4x4 truck at other dealer,  
this will take two weeks, additional cost to swap the bed is \$900.

please advise if you want to make offer on this truck, or do you prefer Matt's truck in St Thomas,.

thank you,  
Larry
