Hi Yes we are fine, went to India for over three weeks, with wife , son, and his wife, quite a trip!  
I will be around on 15 April, but with out of town guests. Would like to see Jeffrey if we can find a mutually convenient time. The earlier for me, the better during the day.  
(say 10:30)  
let me know what works on your end  
best h
