what details?

I may be not understand your message.

But i wanted to tell you that i do not want things that we discuss stays between us...because i like the discretion..

i said to rahel that i had not heard from you since you left...

Excuse me but i learned that in life we must always beware.

And i am wary of everyone...that's all...i do not jealous..

Because i had too many disappointments with people..

you undestand me??
