Hi Roger,

I hope all is going well - I'm writing to let you know we have a limited number of pre-pub galleys of your book to use for media purposes. I am checking in to see if you a publicist or anyone else you will be working with promoting the book, so we can figure out the best promotional plan in place as we move closer to the publication date. Also, please let me know of any specific contacts who should receive an advance copy, and of course if you have any questions.

Thank you,
