I don't think I should even open the door to them. I think I should just not respond - it has been a week afterall.

With warm regards,

Cecile

Mrs. De Jongh,

We are working on a story about business and politics in the Virgin Islands with a focus on Jeffrey Epstein. As the wife of the governor and the manager of Financial Trust Company, you were named several times in our story.

We would like to give you an opportunity to respond to some of the claims in the story. We would also like to give you the chance to comment on the interplay between your job and the governor's actions.

We are running up on deadline so a prompt response would be appreciated.

Hope to hear from you soon.

Best,
Lenina
