Subject: STT hanger

Jeffrey,

if we get a positive vote, which we are expecting on July 20th and awarded Air Centers hanger, should I propose to Rod paying his August's rent so we may start renovations? I could tell him to leave hanger with remaining junk inside if he leaves the Air compressor for the hanger,.

I'd like to get Gary Kearney's opinion to make hanger doors open larger, in the past, we had to rotate the blades when we put 407 in the hanger, the blades miss by only 2 feet,.

We have a roll of carpet in palm bch storage that was bought for the Gulfstream 10+ years ago, if its ok with you, I'd like to ship it to St. Thomas an install in My office, its a funky mustard yellow with black style carpet that was selected for Gulstream install, I believe it would cover the main office floor, and maybe select a cheap black or charcoal carpet for main office area, to cover up foot prints? I will get a photo when I return to palm bch, of the carpet for your approval.

thanks,
Larry
