Absolutely. I am putting her in contact with Daphne Semet. She should contact Daphne directly.

Last summer was amazing and I learned an incredible amount of new information!  
This upcoming summer I would again love to get as much experience as I can. An  
internship will be more valuable for me than a volunteering position due to the fact  
that I will be able to perform more skills and interact with the patient more freely.  
I cannot even begin to explain how thankful I am for this opportunity. I hope you have a  
great rest of your day! I miss you!  
xoxo, Jackie  
P.s. I love the new phone number! You are too funny!
