Hi [REDACTED]

Also, something new.. my friend Fred Blic who is director of <http://www.mc2mm.com/> in NY called me friday, he proposed to do scouting in europe for them, so am supposed to meet with Jean Luc Brunel who is owner of the agency today or may be I will change my flight to milan to thursday.. So we could get an agency behind us and do serious scouting/consulting office based in paris and place models whith agencies or even suggest them to clients directly, depending on how good the models is. Am having lunch with [REDACTED], a model friend of mine who wants to do scouting in her country holland and this guy who was [REDACTED] scout and has a scouting office here in paris: <http://www.wantedcompany.com/> , call you later, G.
