**Subject:** Orange coat...

On my way to work and spotted a good looking woman crossing the street wearing a beautiful bright orange coat identical to the styles you wear. Upon closer inspection there was a patch of an american flag sewn on the left arm that looked as if it had been there since she was in her 20's...! She was early 40's blonde carrying her LV. I couldn't help but think of you. I would say 90% likelihood that coat was yours once! : )

Jeffrey, Steve came in to see me today... He was pissed and sat down with me to emphasize just how P.O.'d. He explained how wrong it was, that it was not right in the real world - working world where I had just come back in to the company. I felt this the whole trip with the girls where nothing seemed right and it did not feel like a vacation/meeting of friends. It was more stress and I was actually resentful toward [REDACTED] the whole trip, but know the fault is mine. I am upset I disappointed you and let you down. Steve was seriously angry and ripped me a new one in the middle of the dining room. He had every right to.

I will be around if you want to talk and have Tues 13/  
Wed 14th(?-not 100% about Wed) off. Good morning,  
I'm just now going to sleep.

Anthony did not have an exact figure yet but said he has  
accumulated about 10,000 in  
labor costs in addition to the  
cost of the tub which he  
purchased which cost  
approximately 1,300.
