Subj: LIGHT TOWER / BACKHOE / BOOM LIFT & LIGHT TOWER MAST PARTS QUOTE

Larry

Thank you for coming by today and meeting with me. I have attached two quotes for the equipment and one for light tower mast. The boom lift is on rent in Tampa so I cannot get current photos today. I can also have the boom lift painted for additional \$3,750.00 with no decals and the backhoe for \$3,900.00 with no decals. All units will be in good running order and will take approximately 3-4 weeks to paint. The new light towers are 3 weeks for delivery from factory to Discount Equipment. After October 21st orders will increase on light towers for day light savings coming shortly and lead times will increase on them. To order please provide all company information and wire funds to account that is listed on the attachment also included above. Please let me know if you want the units painted so invoice can be adjusted. Also we must have proof of export shipping bill of ladings with items and serial numbers after shipment to waive FL state sales tax.

On the equipment quote form when you see at the bottom of the quote rental and sales. Rental means it is items from our rental fleet and sales mean new equipment.
