Subject: apple store sold out of ipad2

how bad do you want or need one ? tekserve is my next call

I own a 32 gig wi-fi I could reset and sell you if you really need one today

- was in mid sonos set up and watch set up so need to finalize that before you go

- sonos for paris i need have a go or no by 3 pm to pull that off as a new one can reset one in dining room also

-sd
