I am a real real coward - 2 days and 0 instead of 24 attempts until now - but now I really want to do it as it is a bigger challenge than I have thought.

I didn't ask but [REDACTED] told me she works as a hostess and earns around 200\$ an hour which seems to be more like escort but underpaid depending on what she is actually doing. She is not very keen on answering my questions and she always writes that she is having a great time and loves Australia. What did you tell her when she told you she wanted to work as an escort?

I'm really a coward, this might take me a little bit longer than the other things but I'll try.
I need to come across girls that are curious out of this mass of horribly uninteresting ones.

So I just ask them directly for a threesome even when I am not with a guy? I think if I do that in the metro they'll get scared.
So out of 10, 9 will probably say no?

I will stop doing that.
Sometimes I just need some time to process what you said which doesn't mean I didn't hear and understood it.
