Subject: Re:

Yes, I'll find you with your email address?

I tried your back massage on a couple guys at a dinner yesterday, they all liked it a lot and it's so easy. I think they all want to fuck me now. One had his girlfriend there, I should be maybe more careful about that.

Staying straight makes such a big difference as well. Crazy.

I started finally practicing with one, he really liked the blow job, of course, twice, so I swallowed quite some sperm yesterday. He actually wanted more and more and only that.

I'm still not good at the talking though, I should do it in French, you were right. And the acting cause I didn't like much what he was doing so it was hard.

And next time I need to be even more active, especially at the beginning - I apparently used to be so passive, I didn't even realize it before. So I have to practice more.
