Title: It would be easier and quicker by phone..i shall wait to hear from you by lunch but if I have not I guess I will have to send the best I can without your in put What is the relationship between [REDACTED] and [REDACTED]. didnt you say they had an agreement to work together..what is that called When Did [REDACTED] stop working for you? Or when did you last see her. Was that 2001 and she failed to show for her summons in 2002? Has [REDACTED] ever said when she left the country? Is there any proof that she fled to avoid arrest if I am going to say that..when did her civil suit against you surface..i want to say that was at the same time as Rothstein was making his false claims..that was of course when I first heard about it.
