Title: Happy Birthday to me? Sunday, July 17th

I am so sorry I did not get back to you sooner.

I have been crazed...

Came out to the Hamptons Wednesday night for a lunch I organized for Donna Karan. She made 60 rich yentas meditate in the garden of her daughter's Southampton restaurant before she fed them. It was a first for me!

Have Wendi Murdoch's screening and dinner Saturday night...Rupert was meant to come, but he is a tad busy in London...film sucks but Jay and Kelly Sugarman's stone and glass house on the ocean is the size a small airport terminal.

Sunday have hot film, "Crazy Stupid Love" in Wainscott....and Monday, Mandela Day...Nelson's 93rd...I was hired...and got Bono to make a vidio of him singing "Happy Birthday" to 67,000 fans in Philly..that we are releasing to the WORLD press on Sunday night! My idea...plus a media elite lunch hosted by Morgan Freeman at the Four Seasons Mondaay for 120....and Martha Stewart's birthday party Monday night and Tuesday, I leave for Denise Rich's boat in St. Tropez...july 20-24. I am supposed to meet Jacqui Safra and Jean Doumanian on the 24th and Jacqui hasn't decided what he wants to do...yuk. Are you getting me on Friday, July 29th...or will I meet you in Rome to go on Woody's set and have dinner with him. Mario d'Urso will let me sleep at his Palace Friday night...and take me for the weekend someplace in Italy and I go home about Aug. 1

How are you?
Can we talk tomorrow or on my birthday?
