FYI in prep. for our conversation.

we have working on island  
3 stone crews  
2 block crews  
2 plaster crews  
2 tile crews

these are all small contractors who cash their check and pay their men with cash and I agreed to get them local checks weekly, in lieu of up front deposits.

example:

on July 18, I submitted a \$13,111.88 invoice for plaster and asked for a check, it was forwarded to Emad and Fri the 22nd I went to get it and Daphne had not heard anything so I instructed her to issue the check and I kept the sub and his crew going. Daphne got the approval today.

This necessitates my needing the authority to request and sign checks for these contractors
