Wendy mentions below that they will move the painting on Monday. They should have done it on Friday and I told her so. We had spoken on the phone and I had emailed her directions for adjusting it by 4.30 EST.

Hi [REDACTED],

I am sorry to say that it will be Monday morning first thing before we are able to move the painting-as it is the weekend and I am "on call"(the only one working) I can't move it by myself and I need both Steve and Mano.

I apologize for the the delay

Wendy

Hi Wendy, Did you manage to change the height of the painting. Let me know if you have any problems. Could you please send me an image so I can forward to JE. Thank you
