p.s., Larry tells me Joanna canceled with Eva – maybe after she learned you wouldn't be able to be there. ☺ Guess we'll have to try again.

Are you meeting Wade? He's in incredible shape for his age. Just saw him at a function during UNGA Week.

Hi, Jeffrey.

My assistant tells me you had to cancel both the Lipkin lunch and the Eva/Joanna meeting. And it's about to be October with no word from you on Templeton or your preference re the Academy. I don't want to pester you with queries. So just let me know if you've lost interest in these various matters. Considering that we send our Gala journal to the printer in 2 weeks – and will be announcing a major new public/private partnership in cognitive neuroscience, which is the very topic I proposed to Templeton – it would be a particular shame to miss the opportunity of connecting your friend into this alliance and crediting him at the Gala for being a major funder of it.

Best, Ellis
