Subject: RE: YGLs, Future of Money & Alternative Currencies - greetings & update

Hi Jem and April...

We have been going back and forth about how to have a small convening with the YGL best and brightest around alternative currencies and the future of money.

I'd like to introduce you to Jeffrey Epstein, whose philanthropic interest overlap in this area. Here is a website with some of his recent grants and projects: <http://www.jeffreyepstein.org/home.html>

Jeffrey has offered to provide the resources, in the form of a grant, to a 501c3 or charitable equivalent organization that might host a convening related to this topic.

He has proposed several venues which could host up to 10 or so of the foremost thinkers in this space.

I've copied Jeffrey on this email so you can start a discussion with him and mutually decide if this is something that makes sense to all of you.

Boris is copied as an FYI only.

Let me know if I can be helpful in any way.
