[REDACTED]

Attached is a list of employees based on a JEE review with me in the office today. The list is color coded(see legend) as to status, based on the review.

There are 9 employees that Brice(7) and Tom(2) need to review to advise on status (note there were originally 15 but you answered the question in you second list of names).

Please review and advise if there are any questions or issues.

In addition if you have any questions on the net pay amounts to be used in the release letters let me know.

Jeanne
