nice

i met an indian girl at school who doing homeworks at Local Court here (we need to attend hearings and write notes) met her boyfriend, a 30 years old lawyer who helps her with assignments now. smart girl. she reminds me [REDACTED] she is very open abt talking on boys' subjects, lots of men and around her

I also met some other random girls (libanese ukranian and australian) and all they talk was money, that they have to work hard to pay off their car. some of them live in 5000 AUS a month apartments and boyfriends pays the rent. here there is a kind of girls who want their bf to support them, buy dresses and new shoes all the time. I am not used to it with my jewish Ben.

I fly to Washington 23 April and go back 5 May missing two weeks of school. if you will be in NY during this time, would you like me to visit you for a couple of days?
