Subject: some notes

Hi Cliff,

Use whatever tools necessary to suppress the negative listings.

However, there is already A LOT of positive content now for Jeffrey (30+ press releases). Instead of spending time on more journalism, the existing content is there for your use.

access to press releases: [www.onlineprnews.com](http://www.onlineprnews.com)

a note about passwords: we gave this same excel sheet to Integrity Defenders back in February. So anytime you access a site (public profile, website etc) please could you change the password to jeevacation13?

Thanks!
