Jeffrey,

Here is the breakdown of cost which I just went over with Larry for the tires and the service on the car.

Service and right blinker repair \$625  
4 new tires and wheel alignment \$1,199.95  
Replace automatic transmission mount \$253  
Replace A/C evaporator (blowing warm air) \$1,466.40

Total is \$3,544.35 plus tax

Thank you
