Dear Richard,

following our conversation i am writing you this email re:cello agreement, would be great if we could meet and re-sign a new contract, I would love also to meet with J for a few m' and tell him in person about all my progress this year, and thank him personally for the amazing opportunity to play on this really amazing piece of instrument, this cello really opened me many doors ths past 2 years, in a music way, everybody who hear my playing on the cello is really impressed...

i cant tell you enough how amazing it is to play on such a remarkable instrument.

I am back in NY (after coming back from a 1 month tour in south america) so please let me know about a day to come to meet you 2 if possible,

I would also love to have you all as guests for my upcoming NY show April 22nd, at the CITY WINERY, with renewed singer NOA,
