All,

Attached is a recent 8K filed by LSB and anticipated cash flows (a base case and a conservative case), without new business, for Landmark. The cash flows do show a loan of \$1,000,000 by the Barton family and this is conditioned on the loan approval that I anticipate receiving in the coming weeks. The difference in the cash flows is the number of sales. If you would like to see the backup for these projections, please contact Martha.

Obviously with time there will be more specificity and I will keep you informed as this good news becomes more understandable.

Don't hesitate to call me; you may have a question that I will be able to answer.

Jerry
