I wasn't thinking I would give when I asked how to get. So this also means I can get without giving. So if I give you, I won't necessarily get. So everything is charity? So what about business? you should feel ashamed,, these are questions that are beneath your intelligence and certainly your ambitions,

the first lesson , is instead of asking me to teach you things, , why don't you tell me what do i
get? , you must stop thinking about getting as opposed to giving,, this is the most
important lesson
