**Subject:** The political economic situation In Senegal

The political economic situation In Senegal:

- 1-there is a problem between Karim and the new prime minister  
Karim has not handed his ministerial responsibility to the new ministers .
- 2- there is a big question marks on some of the financial transactions that  
Karim has entered in with local and international establishments.
- 3-three are funds missing from the treasury.
- 4-the new ministers refused to take over the ministries after they found out  
that 80% of the 2012 budgets were spent in the first four months of the year.
- 5-it's rumored that Karim and his father were supposed to travel to saudi for  
performing Umrah president maki ordered him to stay and especially ex  
finance minister Abdulla diyob was stopped at the airport last Friday .
- 6-Ex president wade is staying at the house of ex Forign minister Madeki  
Eniang.
- 7-President maki is in a very difficult situation because the ex president and  
his team have emptied all the finance of the government so he has no  
Money to run the country , he is under huge pressure from his ministers to tell  
the Senegalese people the truth but he doesn't want to be seen as pointing his  
fingers at the previous regime
