Hi JE,

Best buy uses GEEK SQUAD

cost break downs would be as follows

\$99 for a consultation needs to happen first

then min I could see things costing would be \$1000 for the set up.

they have an al la cart systemes

the \$99 would be applied to the service fees we would buy post consultation

here are breakdowns for each set up area

mounting

IN-HOME

\$349.99

theater set up

\$149.99

remote set up

\$99

networking set up

\$199

above is for un-consealed wires etc

all fees needs an in home visit

I would need to set up the in home visit to get you an exact quote
