When's his birthday. I'll get him can of sooty grime so he can keep some under his fingernails at all times. It's a start.

He's not good enough - yet. He needs some serious grooming first.

I'm proud of pk, he's got a jewish soul, he's a fiscal conservative and knows how to have a good

time.

Awesome, just awesome. Why not make him your protege? You know teach him how to change oil, fix stuff, etc. His loft and his rental rate is a steal.

I think Philip got a great place. He is doing well in NYC. We're going to have dinner together this week.

In NY real estate the first question is: What's your budget? I can't ask around without knowing that.

Second question, Where do you want to be? Manhattan is a big place, and traveling, except by subway,

is a pain in the ass. I don't want to date women that live above 57th st, I don't want to drive for half an hour to see someone.

Uptown or downtown. Are you more into the Metropolitan Museum, or the New Museum?

The dates are dec 7 - 9. Are you coming down? We are are 3 couples. It will be tight, no? Maybe we'll split up. Let me investigate and get back.

Another subject: I kind of looking for a pied a terre in nyc. Location not as important as the space. Let me know if you see/hear of something. 1 bdrm, nothing spectacular, but nice with character.

Each stateroom has its own bathroom (toilet (head) and shower). There is also a shower and head in the crew's area.

Figure for that weekend \$300 per night per couple. You can also walk to the convention center from the yacht club.

Let me know asap otherwise if I get other offers.....

Who's going to bring the Fizzies?

Hi,

Since I don't have the kids the weekend of December 6th I will probably be in Miami on the kayak.

I do rent out IZMO at times. It is on Airbnb.com. Other than the master stateroom (MINE), there are two other staterooms, each with 2 twin beds, and crew quarters (bunk beds) and a captain's room (single bed). Those could all be rented. So other than my room there are 5 other beds. If one pair of faggots can stay in the crew/captain area..... What kind of lewd acts are going to take place???

If you guys want to stay, I don't want any money from you and Janet, but the queers have to pay. (just tell them that I am charging everyone).

Cash, not blow jobs.

I own a slip for the boat at the Sunset Harbour Yacht Club. There is a pool, fitness center, etc. It is a 10 minute walk to Lincoln Road. Check it out at www.sunsetharbouryc.com

Jeffrey and I did battle over Seymour's bottle cap collection that he amassed while sweeping the parks all those years. Since we couldn't figure out an equitable way to share the collection without splitting it up, we donated it to the Smithsonian. You can now see the collection in its entirety in the Americana wing. I think it's on the second floor to the left when you get out of the elevator.

Hi Mark. Are you thinking about going to Art Basel in Miami this year? Its first week in Dec. Question: If the USS IZMO is in Miami, would you be interested in renting it for a couple of nights for 3 couples (two gay and me and Janet). We had a house booked in So. Beach and we were just notified that our reservation was cancelled and our deposits returned. (I think they got a better deal). Anyway, I am not asking a favor, it's a business proposition to see if we can rent the bdrms. We have no desire to leave the slip and don't have to have any meals on board. Let me know. If no interest, don't worry. Terry

Just had lunch with Warren. We were commenting about you and Jeff. How great it was that you two didn't fight one minute over your inheritance from Paula and Seymour. You both handled it fairly – no greed.
