Ok will do. It will come from Jason Bauman in an email since you don't want me to have this information and I believe legally he can't send it to me. Jason works very by the books! He will have all information to you in the morning. He is at his desk by 6am. Jason also noticed in the envelope that there is a document that Gary needs you to sign and send back to him. I haven't seen the document but basically it's a release you have to sign saying you received the check from the trust. I'm not sure if there is a time limit on when he needs it back by. Knowing that you aren't back until the 13 of August I wanted you aware of this document. Please advise what we should do with the document.

Jeffrey: Allison Bauman looks after paying my bills and works for Bryan Bantry. Her husband was kind enough to open the Morgan Stanley account and will let us know the minute the money appears.

From me:

Should she just keep the info and account number until I return to NYC on Aug. 13...or send it on [REDACTED]

From Allison Bauman:

The account is open. I will get the account number and other info you need. He will let us know the minute the check clears.

How do you want the account information since I know you aren't comfortable having that information via email.

Jeffrey: please advise..peg
