Jeffrey,
Here is the deal:
\$1.580M USD for the Bell 430.
Price reduction of 20k due to no co-pilots controls.
I have David Burch obtaining price for bell at this time. Burch as indicated \$60k for brand new controls, which Bell has 7 sets in stock ready to go,. and best case scenario is to locate used controls for \$20k,. (This is a maybe).

Craig and Gordon (Craig's partner) are waiting for float photos, according to Mick are included, (the floats, personally I don't care) but want them if we can obtain.

Is this acceptable deal to you? I think we should close asap!
Thank you, Larry

Gordons handling everything today as I'm away, however, I have called Mick Bailey, I called his bluff and told him the deal was off and how would he like our lawyers to contact him. He's now seen reason and we have an agreement from him!

He's agreed \$1,580,000 (\$20k off for controls) as per my last email to him with you in copy.
He's agreed, we're good to go. I'm just awaiting on the pictures of the floats, Gordon is chasing as we speak.

Keep me informed I'm really motivated to have this closed asap.

Kind regards
