Jeffrey, Steve came in to see me today... He was pissed and sat down with me to emphasize just how P.O.'d. He explained how wrong it was, that it was not right in the real world - working world where I had just come back in to the company. I felt this the whole trip with the girls where nothing seemed right and it did not feel like a vacation/meeting of friends. It was more stress and I was actually resentful toward [REDACTED] & [REDACTED] the whole trip, but know the fault is mine. I am upset I disappointed you and let you down. Steve was seriously angry and ripped me a new one in the middle of the dining room. He had every right to.

I will be around if you want to talk and have Tues 13/ Wed 14th(?-not 100% about Wed) off. Good morning, I'm just now going to sleep.

i reviewed Sarah's credit card for January and February and the total expense for apt 2G was 13,971.29 this was for all the materials (except tub) in addition to furnishings

i just spoke with anthony barrett and he has been dealing with Penn regarding the labor for 2G

Anthony did not have an exact figure yet but said he has accumulated about 10,000 in labor costs in addition to the cost of the tub which he purchased which cost approximately 1,300.

The total additional expenses for apt 2G from this email is 25,271.29
