Subject: Re: Track hoe

I met with Peter's guy about the track hoe. He is only wanting to give us about \$1000 as it sits. It would cost us more than that to make it functional enough to get it to the barge. Still waiting for the quote from Rimco for repairing it. They have promised us a quote by Tuesday.

Peter thinks he has someone interested in the trackhoe. What price do you think we should ask for it?
